📍 Malir Cantonment karachi

Profile

Motivated and detail-oriented **.NET Developer (Entry Level / Intern)** with a strong foundation in **C#, ASP.NET Core, Entity Framework, and Web API development**. Skilled in building and integrating CRUD operations using **Swagger** for API testing and **SQL Server** for backend data management. Experienced with **Blazor** and **MudBlazor** for creating interactive and user-friendly web interfaces. Completed academic projects including a **Student Details Management System** and an **Inventory System for a Mart**, showcasing solid understanding of **OOP concepts, data handling, and API communication**. Eager to contribute to a professional development team, learn modern .NET technologies, and grow as a full-stack developer in future.

Education

bachelor in computer science, <i>Sir Syed university of engineering and technology</i>	06/2021 – 09/2025 Karachi, Pakistan
Intermediate, Mehran Degree Collage	2018 – 2019 Karachi, Pakistan
Matriculation (Science Group), Beacon Askari School	Karachi, Pakistan

Certificates

CCNA – Cisco Certified Network Associate — 2020 •

.NET Web Development (ASP.NET Core & Web API) — Learning modern .NET development with C#, Web API, Entity Framework, and CRUD operations. - 2025.

Skills

framework and technologies

- ASP.NET Core
- Entity Framework Core
- MudBlazor
- Web API

Tools and Platform

- Visual Studio / JetBrains Rider
- Swagger
- Git / GitHub

Databae

- Microsoft SQL Server
- Basic knowledge of database design and CRUD operations

Concepts:

- Object-Oriented Programming (OOP)
- RESTful APIs
- CRUD Operations
- Data Binding

Projects

Student Details Management System,

05/2025 – 06/2025

Blazor WebAssembly | ASP.NET Core Web API | Entity Framework Core

- Designed a CRUD-based system to manage student information using Blazor WebAssembly and ASP.NET Core Web API.
- Integrated **Entity Framework Core** for database operations and **Swagger** for API testing.
